

August 2023

What's Happening

It has been a busy summer here at Bridges. From a trip to the zoo, a family picnic, and Friday Night Out we have had so much fun sharing these experiences with matches and the community. The beginning of August means that the first day of school is right around the corner! Keep in mind that a new school year can bring feelings of excitement and nervousness for kids. Be ready to support them, however they may feel about the transition back to school.

Don't Forget!

Match Activity Logs are due monthly

Logs need to include the date(s) of meeting, length of time, description of activities. Fill out the [web form](#), or email to Nicole at: mcbridgesmentoringprogram.com

Bridges Mentoring Program

Updates

Mentors Needed

We are in need of mentors in all the communities we serve, especially male mentors. Please give thoughtful consideration to mentoring a child in our community and spread the word to those you know. Contact Nicole at 641-732-3566 or mcbridgesmentoringprogram@gmail.com for more information. Mentor one child, change two lives!
