

January 2024

Happy New Year! We are looking forward to an exciting 2024 here at Bridges Mentoring Program. Not only are we working on plans for some great events for our participants, and fundraisers, we will also be celebrating **25 years** of serving Mitchell County! January is also National Mentoring Month. Bridges volunteers will be recognized with an appreciation dinner later in the month, and you can follow along on our Facebook page for highlights about the mentoring movement.

We would like to thank all those who have supported our Sponsor-A-Match fundraising campaign so far. Your generosity is greatly appreciated. The funds raised are used to support our operational expenses and allow us to continue to match youth in need with positive adult supports.
