

May 2024

April was a busy month here at Bridges. We welcomed two new matches, and had a group bowling outing! You can see some bowling highlights below. This month brings the end of the school year. Keep in mind that this is exciting and welcomed for some kids, but can be worrisome for others that will miss the predictability and security of their school routine. Be ready to support the young people in your life no matter what their needs might be. Note that breakfast and lunch will be available to kids at Lincoln Elementary during the summer at no charge. We will share more information when it is available.

If you are interested in becoming a Bridges mentor, contact Nicole at (641)732-3566.
