# What's Happening

Has summer flown by for you? Maybe you're ready for the kids to head back to school? Believe it or not, the first day of school is right around the corner. We can help kids feel ready to return by easing them back into a bedtime/wakeup routine, making sure they have the appropriate supplies, and talking with them about any concerns they may have for the year ahead.

This month all bridges volunteers, mentee and their families are invited to our annual family picnic. Details can be found below and will also be sent via mail. Stan's Drive-in is also generously hosting a fundraiser for the program on the 25th. We are asking that matches sign up for a 2 hour shift to help as car hops or run the ice cream machine. A survey was sent to all mentors to sign up for a shift. Please let us know asap if you will be able to attend. This is a great opportunity for us to show what the mentoring program is all about.

If you are interested in becoming a Bridges mentor, contact Nicole at (641)732-3566.
