

March 2024

What's Happening

March is a very exciting month as it marks the **25 year anniversary** of Bridges Mentoring Program! We are so grateful for the support from our community that has made it possible for the program to positively impact young people in Mitchell County for two and a half decades. An extra special thank you goes out to our current mentors, and all those who mentored in over the years. You are the heart of the program and we **can not** exist without you. The stories shared by past mentors and mentees about how they have been impacted by the program are truly touching and heart warming. If you have a mentoring story we would love for you to reach out and share it. You can help us celebrate this milestone by telling your friends and family about us, and encouraging them to become a mentor for their own wonderful experience. If you are interested in joining the fun and comradery that comes with being a Bridges Mentor, contact Nicole at (641)732-3566.

Reminder

Mentors, Don't Forget!
Match Activity Logs are due monthly

Logs need to include the date(s) of meeting, length of time, description of activities. Fill out the [web form](#), or email to Nicole at: mcbridgesmentoringprogram.com

Bridges Mentoring Program

March 2024
