# What's Happening

Summer break has begun! Many kids and families are busy with ball games. If your mentee is playing ball, try to make it to at least one of their games. It will mean a lot to them! Don't forget that all matches have received tickets to attend a Cedar Summerstock performance.

Summer break can sometimes be a stressful time for young people who may miss the structure and predictability of school, or the consistency of school meals. The good news is that this year, Osage and Riceville schools will be providing breakfast and lunch at no cost to anyone 18 years and younger. See the fliers below for details and make sure your mentees know this is available. Bridges specific summer events that we are looking forward to include our second quarter mentor support group and our family picnic to be held in August.

If you are interested in becoming a Bridges mentor, contact Nicole at (641)732-3566.
